Bern, 15. September 2015

Sehr geehrter Herr Magnongui,

Vielen Dank fuer ihr Schreiben betreffend "The Science of Pyramids", welches an den Britischen Premierminister David Cameron adressiert ist.

Wir sind leider nicht in der Lage ihr Schreiben weiterzuleiten, sie duerfen es aber gerne direkt an Premierminister Cameron senden. Die Adresse lautet:

10 Downing Street
London
SW1A 2AA

Freundliche Gruesse,

Object: Information - Request for an Audience in Regard to The Discovery of the Science of the Pyramids and how they affect Climate Change (The Scientific Knowledge of the Stone).

Excellency,

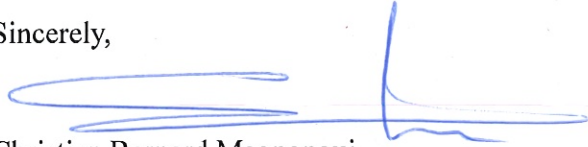

I am writing to request an urgent meeting with you in regard to the following reference letter: 10062016/PMGB/SPCCUSA. sent to Prime Minister Theresa May, on October 06, 2016, from Germany, Wegberg.

Because of the sensitivity and the urgency of the information provided to the Prime Minister, it is important for the interest of Great Bretagne and Europe to organize an urgent meeting with me as soon as possible.

Meanwhile. I invite his excellency to call the office of Prime Minister to confirm reception of mv file sent from the German post office (www.deutschepost.de/briefstatus); confirmation delivery number: RR041463042DE (GB).

For your intention I enclose two of the letters I addressed to the Prime Minister.

Sincerely,

Christian Bernard Magnongui
Independent Researcher / Writer and Humanitarian

Attached:

- Letters received from the British Embassy in Bern, Switzerland, and from the Prince and Duke of England.
- Letter to Svenja Schulze, Ministerin für Innovation, Wissenschaft und Forschung

NOTE: For confidentiality reason, all letters must be sent with delivery confirmation.
