Dear Christian,
I am writing to acknowledge receipt and thank you for your correspondence to City Hall about coronavirus (COVID-19).?

We appreciate you taking the time to contact the Mayor with your product on how to improve London and the lives of Londoners as we adapt to the COVID-19 pandemic. As you can imagine, the Mayor receives a large amount of proposals for projects, products and offers of advice. All of these are gratefully received, and all suggestions are noted and recorded.

Unfortunately, the Mayor is not in a position to endorse products or commission health services or products.

With best wishes for the future development of your product.
